MEMORANDUM FOR CHAIRMAN, UNITED STATES INTELLIGENCE BOARD

SUBJECT: Nomination for Chairmanship of SIGINT Committee

1. Pursuant to the request of the Acting Chairman of USIB at the meeting of 28 March 1962, the Defense Intelligence Agency nominates [redacted] USAF, for the chairmanship of the SIGINT Committee.

2. I feel [redacted] is exceptionally well qualified for this important assignment. As the attached resume of his military career indicates, he has a sound foundation in communications and electronics - both schooling and practical experience - and subsequently has had a long and outstandingly successful record in responsible SIGINT assignments. It is particularly noted that his SIGINT experience is unusually well rounded, both as regards COMINT and ELINT and also with respect to representative levels of activity - producer and consumer, national policy (USIB) through technical command, and in both staff and operating capacities.

3. [redacted] will be made available for full-time assignment to the SIGINT chairmanship, if such is deemed necessary by USIB.

4. This nomination is concurred in by the Director for Intelligence, Joint Staff, Assistant Chief of Staff for Intelligence, Department of the Army, Assistant Chief of Naval Operations (Intelligence), Department of the Navy, and Assistant Chief of Staff, Intelligence, U. S. Air Force.
